

## Project WET Workshop

**Great Basin College Biology Lab**  
(and outside so be prepared with appropriate clothing)

**Winnemucca, NV**

**May 9<sup>th</sup> 4-9pm and 10<sup>th</sup> 8-5pm**

Project WET (Water Education for Teachers) is an international, interdisciplinary, water science and education program for formal and non-formal educators of K-12 students.

**No cost to register!**  
**All educators invited to attend.**

**Nevada Department  
of Education  
offers 1 recertification  
credit to participants  
who complete this  
workshop.**

The workshop offers education on the Humboldt River Basin and Watershed, classroom-ready teaching aids, groundwater and watershed models, the *Project WET Curriculum & Activity Guide*, and a network of specialists to call upon so that incorporating water education into the classroom is **easy for teachers and interesting for students**.

*Curriculum and Activity Guide* lessons will be demonstrated throughout the 2-day workshop. Use the *Guide* to **enhance teaching in all subject areas** while providing knowledge of the importance of water resources and water use in Nevada's future.

**I-80 westbound: Take first Winnemucca exit (downtown). Go Left at Bridge St.**

**I-80 eastbound: Take second Winnemucca exit (downtown). Go right at Bridge St.**

**When Bridge St. ends, go left on Highlands Drive, go right onto Kluncy Canyon Rd. The College is past the high school on right. 5490 Kluncy Canyon Rd.**

**Registration deadline May 5th.**

**To register contact: Stephanie Lefevre, Outdoor Science Coordinator**
